

Match the mineral/rock resources to the correct number -

Vanadinite _____

bauxite _____

graphite _____

BIF _____

fluorite _____

galena _____

magnetite _____

gypsum _____

halite _____

hematite _____

copper conglomerate _____

diatomite _____

bornite _____

chromite _____

corundum _____

sphalerite _____

phosphate rock _____

lepidolite _____

State what resource society gets from each mineral/rock -

Vanadinite _____

bauxite _____

graphite _____

BIF _____

fluorite _____

galena _____

magnetite _____

gypsum _____

halite _____

hematite _____

copper conglomerate _____

diatomite _____

bornite _____

chromite _____

corundum _____

sphalerite _____

phosphate rock _____

lepidolite _____
